

BetNet Risk Disclosure and Responsible Betting  
Version: 2026-03-16

**WARNING:** Betting is risky. You can lose all funds committed. Bet only what you are prepared to lose.

1) Financial Risk

Market outcomes are uncertain and losses can be rapid and total.

2) Liquidity Risk

Execution, pricing, and exit availability may vary by market.

3) Settlement Risk

Source data may be delayed, revised, or disputed. Resolution may be delayed or canceled.

4) Operational and Technology Risk

Service interruptions, API errors, browser/network issues, and cybersecurity incidents may affect platform access and transaction timing.

5) Legal/Regulatory Risk

Product and payment availability can change by jurisdiction and legal updates.

6) Responsible Betting Practices

- Set personal spending and time limits.
- Do not chase losses.
- Stop when decisions become emotional.
- Seek support if betting behavior becomes harmful.

7) No Advice

BetNet does not provide investment, legal, or tax advice.

8) Fees and Platform Revenue

BetNet charges an entry spread on every real-money purchase and a 10% resolution take rate on the total stake pool. See the Fees and Platform Revenue section in the Terms of Use for the full disclosure.
